

# Print Direct to Flexible Magnet

*A quick, low cost solution for your display and signage needs!*

## Step One

*Choose Which PrintMagnet™ Works for Your Application*

### **PrintMagnet™:**

- For dye and pigment based inkjet printers
- High quality, matte white or photo quality finish on the printable side
- For indoor applications only

### **PrintMagnetVinyl™:**

- For solvent and eco-solvent inkjet printers
- High quality, matte white or photo quality finish on the printable side
- For outdoor and indoor applications

## Step Two

*Choose a Thickness for Your Application*

*Typical thickness options are shown on the chart below. Custom thicknesses and tolerances may be special ordered. Thicknesses .012" and greater are available in rolls. Custom pre-cut sheet thicknesses range from .008" to .060"*

## Step Three

*Choose a PrintMagnet™ Final Size*

*PrintMagnet™ and PrintMagnetVinyl™ can be cut into sheets, slit into rolls or die-cut. Provide detailed information and our expert technicians will provide you with what you need.*

- Custom cut sheets
- Pre-cut 8.5" x 11" die-cut sheet
- 24.275" wide rolls that can be cut to the size you need
- 8.5" x 11" die-cut sheets that are perforated to yield 10 business cards (2" x 3.5")
- Pre-cut 4" x 6" photo quality sheets
- Pre-cut 4" x 6" matte white sheets
