

These are the 15 current Forbo colors available now and in the future.

The six Forbo colors below will eventually be discontinued. Factory says they will be available thru March 2016. Warehouse stock after March 2016 will be available till depleted. So if you have a future need for these colors you should consider ordering in January.

Call or e-mail Ann to get current availability of discontinued and brand new colors.
 Also contact ANN for sample swatch card of new colors.
 So in early 2016 you will have choice of 21 colors.
 Some time later in the year just the 15 at the top will be available.
