EXTRUSION IDENTIFICATION CHART

Please Note:

**When estimating shipping costs, be aware that anything
OVER 8 feet in length must ship by Common Carrier.
Orders UNDER 8 feet may ship by UPS.**

Anything over 15 feet in length will incur an additional charge of \$57.

Add .20 per linear foot for cut pieces. No discounts for partial pieces. Customer can choose to ship or have us discard remainders. For example, if a part comes in 24' standard, and a customer cuts a piece to 8', he / she is still responsible for the cost of the full 24' piece and must decide what to do with the 16' remainder.

Packaging charges will vary.

As a general rule, the more you order of standard sizes, the more you can save on shipping and cutting charges!

**For a quote, please contact Jennifer Hemstock
Email: ann@ahutton.com
Phone: 860-632-2026 ext. 118**

Be sure to have your part number, quantities and shipping number available.

EXTRUSION IDENTIFICATION CHART

all are Clear anodized Aluminum unless another color or material is noted
