

Laminate conference Room Cabinets with Porcelain on Steel Writing Surface

These laminate conference room cabinets are scratch- and stain-resistant. The woodgrain finished cabinets feature cork bulletin inside the doors, with a magnetic white porcelain enamel on steel writing panel. The grey laminate features grey porcelain enamel on steel on all inside surfaces. Both have a matte white retractable fiberglass projection screen and pad holder. Magnetic closures and full-length hinges allow the doors to open and close smoothly. A set of four assorted Re-Mark-Able markers, an eraser and magnets are included with each conference cabinet. Mounting system included.

Grey Laminate

Grey porcelain center panel and inside doors.

Catalog#	Size with doors closed	Size with doors open
• 868	4' x 4' (1200x1200mm)	8' x 4' (2400x1200mm)

Slim-Line conference cabinet

Slim-Line Conference Cabinet

This economical conference cabinet features cork bulletin on its outside surface. Inside, melamine writing panels provide plenty of writing space. Soundly constructed solid oak casing has full-length hinges and magnetic closures. Pre-drilled holes for installation.

Catalog #	Size	
	Wide	High
828	4' x 4'	(1200x1200mm)
826	3' x 3'	(900x 900mm)

Laminate Conference Cabinets with Melamine Writing Surface

Features a melamine dry-erase surface on the inside and natural cork panels on the inside of both doors. A paper pad holder on the inside left door holds presentation flipcharts. The doors hang on full-length hinges and are easy to open and close. Choose the walnut or oak stain-resistant finish. Cabinets include four dry-erase markers and mounting brackets.
