Projection Screens

Item	Features	Size/Desc.	Product #	List Price
Portable Tripod 	Lightweight projection screen with a patented rolling system. Adjustable matte white high-resolution screen removes image distortion. Heavy-duty springs allow the screen to retract smoothly. Steel suspension brace provides properly tensioned viewing surface. Includes steel carrying case.	50" x 50"	550S	\$180.00
		60" x 60"	560S	\$199.00
		70" x 70"	570S	\$270.00
Wall/Ceiling 	For wall or ceiling. Matte white projection screen provides accurate color and resolution. Heavy-duty springs maintain screen's traction. Baked enamel casing features powder coated end caps and convenient flat back design for wall mounting. Black matte finish.	60" x 60"	660S	\$136.75
		70" x 70"	670S	\$175.00
		84" x 84"	684S	\$339.00
		96" x 96"	696S	\$392.00
Electric Screen 	Sleek, low profile case contains a high-resolution matte white projection screen that provides precision image definition. A three position in-line wall switch controls the raising and lowering of the screen. The screen may also be direct wired for remote control (optional). Projection area: 70" x 70" (1780 x 1780mm).	70" x 70"	770S	\$855.00

AV Carts and Stands

Movable audio-visual carts available in three different styles to accommodate your equipment needs – wide body, adjustable height and fixed height. All carts will hold 20" (510mm) monitors. Quartet's contemporary design enhances the appearance of these heavy-duty carts. Carts are solidly constructed of textured, graphite finish steel with radius edges or injection molded plastic to create a look that will work in any conference room.

Item	Features	Size/Desc.	Product #	List Price
Wide Body Large Monitor Cart 	Heavy gauge steel cart supports up to 400 lbs. and moves on 5" twin casters. Top shelf is 44" high and includes a non-skid pad. Middle shelf adjusts to accommodate accessories. Shelves are reinforced with a center support channel and feature a safety retaining lip. Includes a UL/CUL approved 3-outlet electrical strip with 20' cord and cable management system. Unit height: 52"	Holds up to a 35" Monitor	88844	\$795.00
44" Wide Body Monitor Cart 	Ideal for large monitors up to 27" (685mm), this 44" (1120mm) high heavy-duty, wide body audio-visual cart features a broad base for extra stability. Equipped with three convenient shelves. UL/CUL-approved electrical strip included. Assembly required.	Holds up to a 27" Monitor	88044	\$378.50
Fixed Height AV Cart with Locking Cabinets 	Sturdy shelved unit holds a 20" (510mm) TV monitor, VCR or projector. Also serves as a basic utility cart for moving additional audio-visual supplies. The taller 54" (1370mm) model provides a slant bar on the top shelf to optimize viewing. Both carts feature two shelves and a locking cabinet. UL/CUL-approved electrical strip included.	40"	88140	\$599.00
		54"	88154	\$588.25
