

MEETING YOUR PRESENTATION NEEDS

Da-Lite Screen Company's Communication Cabinets are designed to help you express your thoughts, project your presentation and inspire your audiences. Da-Lite offers a wide variety of products with maximum flexibility for multi-media presentations to individuals or large groups.

Key Features

Exclusive cabinet construction features the finest veneers and laminates to assure strength and long-lasting beauty.

Piano Hinges eliminate sagging doors making opening and closing easy. Magnetic closures keep doors firmly closed when not in use. Fingertip cutouts make doors easy to open.

Standard Cabinets Include:

- Durable magnetic porcelain on steel whiteboard
- Pull Down Projection Screen (not available in 24" x 36" model) with Da-Lite's Matte White surface
- Heavy-duty spring clamps on each door for prepared material or paper pads
- Marker tray and accessory kit complete with a paper pad, four dry-erase markers, eraser, whiteboard cleaner and telescopic pointer
