

An "Information Center" for organizing items on the job.

A great way to keep notes and job information right at your fingertips! A superior addition to the Safety precautions you institute!

The Industrial MemoBoard has a magnetic write-on/wipe-off surface to jot down reminders, or use the included magnets to stick maintenance instructions, schedules and safety instructions right to the board. Comes complete with a dry-erase marking pen with magnetized eraser cap, and five fingertip magnets.

A 5-Pocket Organizer securely snaps onto either side of the board for right or left side use. Board can also be mounted vertically if desired. Organizer displays up to 10 letter size sheets of

frequently referenced information, perfect for emergency phone numbers, instruction sheets, warranty information, and

Pockets protect pages and easily wipe clean.

maintenance schedules. Specially designed pages have easy-loading pockets that remove easily for quick updating. Five pocket colors and coordinated index tabs help identify contents. Comes complete with wall mounting hardware. White pockets are available if desired.

An optional Magnetic Mounting Kit is available to secure your MemoBoard to any metal surface. Works great on metal filing cabinets and metal rack systems. When mounted horizontally, Industrial MemoBoard Organizer measures 29½" w x 14¾" h x 5¼" d. (Writing Surface on Whiteboard measures 16¼" w x 13" h, and is also available without the organizer.)

Model	Description
IDE10MO	Industrial MemoBoard Includes Whiteboard, Organizer, Marking Pen and five Magnets
IDEMB1	Whiteboard only Includes Whiteboard, Marking Pen and five Magnets
IDEMBMK	Magnetic Mounting Kit

Specially designed pages have easy-loading pockets and reinforced metal pins that turn smoothly that remove easily for making quick updates such as inventory and maintenance schedules.

Each Memoboard comes complete with a magnetized marking pen and five fingertip magnets. The market holder doubles as an eraser. Pockets are great in a workshop or garage for warranty information, safety procedures or assembly instructions and you can attach receipts and business cards using the magnets.
