Yes your graphics on a quality dry erase board

We have a range of products to enhance your patients experience in your hospital. We can produce your dream board in a variety of formats and price ranges. We have unframed models, aluminum framed units, wood framed, wood grain with bull-nose edge, black bull-nose edge, and black plastic. We have found that the typical patient board is 12" x 18", 18" x 24", 24" x 24", 24" x 36" but we can produce any size. We are the experts and will guide and Help you through the creation of the perfect board to communicate with your patients.

MarkaSteel-MG line• Very Magnetic A dry erase surface is fused to 24 gage steel• Fantastic pricing on standard sizes (12" x 18", 18" x 24", 24" x 36") in quantities as low as 200 pieces with black plastic frame. If you have a budget, want it magnetic and have an eye for value this is the very best choice.

Not Screen Printed !!! These boards are Die-Sublimated and are perfectly flat. No screen printing bumps to fall off and discolor. This is the premium method of producing full color printed dry erase magnetic boards in full color! Non-Filmed surface lasts fine in office enviroments.

Hospital Whiteboards are our Speciality!

Indoff's CT currently has over 15,000 boards in hospital rooms in the US and Canada. We are the leader because we are the experts that make the process easy as pie for Nurse Managers (Our main contacts), we have the best product, the best prices, the best art layout sysem and now with our DaPlus film we are disinfectant damage free! Our web shows many of the hospitals that are our customer or call for specific references.

If you need to work with a local dealer, promotional firm, printer or builder have them call us, we prefer working direct but can do it this way !

Our boards are True Dry-erase and Magnetic They are not Wet-erase or film laminated over printed paper.

Phone: (860)632-2026

Make it specific for your needs!
Such as Labor & Delivery below.

Nurse: <i>Enfermera:</i>	Doctor: <i>Doctor:</i>	Date: <i>Fecha:</i>
My labor progress <i>El progreso de mis dolores</i>	My labor goals <i>Para dar a luz a mi bebé</i>	
Special needs/Necesidades especiales		
A1146-r5 28" w x 24" tall		
Tolerable Pain Level _____ <i>¿Cuál es el dolor tolerable?</i>		
STRONGLY COMMITTED TO MEETING YOUR NEEDS NOS DEDICAMOS FUERTEMENTE A RESOLVER SUS NECESIDADES		

Address your special issues such as
Washing, Turning, Therapy and Fall Prevention

Turning Schedule

Larger hospitals usually get multiple layouts (very small price adder) so that Maternity, Neo-Natal, Geriatrics, ICU, Trauma, ER, Pediatrics, Neuro & Med Surg.

Some Hospitals get creative and design their own boards!
Let us help or do it on your own!

Your board can copy any of these boards or be totally different. Its your custom board! Go to www.ahutton.com for hundreds of layout examples you can copy and modify.
