Full Color Custom Graphic Dry Erase Boards for Hospital Rooms

Your Text, Layout, Images & Patient!

Indoff offers a wide range of products to enhance your patients' hospital experience. With informative custom graphics, and information fields, your dream board can be produced in a variety of formats. Choose from a variety of framed and unframed models, in nearly any dimensions you require. Typical patient boards are 12" x 18", 18" x 24", 24" x 24", or 24" x 36" but custom sizes are available. Throughout your order, we'll use our unmatched expertise and the latest technology to guide you through the creation of the perfect board to communicate with your patients. We offer all of this at the best prices in the industry.

FEATURES

- **Not Screen Printed !!!** These boards are Die-Sublimated and are perfectly flat. No screen printing bumps to fall off and discolor.
- **Disinfectants cause failures!!!** Fortunately, we now offer our DaPlus option which is a clear, dry erase overlay that protects boards from all forms of disinfectants and hospital cleaning agents! Make sure any board you buy can handle damages from disinfectants! **----Ours Do!----**
- Non-Filmed surface lasts fine in office environments.
- MarkaSteel-MG line -- Very Magnetic! A dry erase surface is fused to 24 gage steel in quantities as low as 1 piece with black plastic frame.

Hospital Whiteboards are our Specialty!

Indoff CT currently has over 50,000 boards in hospital rooms in the US and Canada. We are the leaders because we are the experts that make the process easy as pie for Nurse Managers (our main contacts). We have the best product, the best prices, the best art layout system, AND now, with our DaPlus film, we are disinfectant damage free! See our website for references or a list of our past clients. If you need to work with a local dealer, promotional firm, printer or builder have them call us! We prefer working direct, but we're always happy to help!

Custom Numbering

For \$5 per board you get unique text and/or numbers permanently printed into the board.

The "Floor" or "Department" can be added along with the numbers for free. There is no minimum and \$600 maximum for the variable data. At 300 boards its only \$2.00 a board!

Find out more about our Custom Numbering by scanning this code!

3 Frame it!

From heavy-duty aluminum frames to light weight inexpensive plastic frames, we have framing options suited to every budget or aesthetic. Visit our website for even more options.

Pricing chart is approximate and is intended as comparison only. Prices vary depending on options including shipping methods, framing type & size, board type & size, filming, and variable data. Artwork amount and number of colors will not effect the price of the boards. Custom illustration and logo design services are available at a separate rate. Contact us for further details and to receive a firm quote for your unique project. We can do small quantities!

Your Ideas on Your Board!

Considering a board to help the staff relate to the patient? See "Children's Hospital" example at right for ideas!

Art Work & Layouts

A professionally designed whiteboard can help hospital staff communicate more efficiently and can ease the concerns of even the most worried patient or family member. A poorly designed board can make a difficult situation even more confusing. Let us make your life, and your patient's lives, easier. Using nearly 20 years of combined design experience, we'll help you create the best layout for your unique requirements. Whether you have a fully formed idea or you're starting from scratch, we'll be there every inch of the way with advice, creativity and excellent service. All you need to get started is a phone! **Call (860) 632-2026** and ask for Erich, Jen, or Allen to start creating your PERFECT patient board today!
