

# MULTIMEDIA WHITEBOARD SYSTEMS

Introducing PolyVision's new **Impulse™ LTX Multimedia Whiteboard System**. Simple, elegant, and intuitive, the Impulse LTX System is unlike any product on the market today. Teachers and students experience walk-up-and-use simplicity on a panoramic, virtually indestructible surface that captures, prints, and saves notes.

## IMPULSE LTX SYSTEM

**NEW PRODUCT**

### MEDIA MANAGER

Capture images with the touch of one button to print or save to the system's internal archive.

### POLYVISION MARKERS

The Impulse LTX System includes 96 markers in a variety of colors including: red, blue, green, and black.

### EXPERIENCE THE ADVANTAGES OF THE IMPULSE LTX SYSTEM

- **Intuitive use ...**  
Literally walk up and start writing; the board senses the touch of the marker and powers itself on. Instinctively project, write, annotate, capture, and recall your notes.
- **Panoramic size with high-performance P3 ceramicsteel surface ...**  
Allows for free-flowing ideas with enhanced visibility on a surface that is warranted for a lifetime.

- **Built-in intelligence ...**  
Simple, one-touch buttons enable effortless navigation of the system. No training, no computer, no complicated software, and no pre-meeting setup required; just start writing.

For best results, PolyVision recommends the use of qualified installers.

TO FULLY OPTIMIZE THE INTERACTIVE CAPABILITY OF THE IMPULSE LTX SYSTEM, POLYVISION RECOMMENDS THE USE OF A QUALITY, CEILING-MOUNTED PROJECTOR.

Extended warranties are available for the Impulse LTX System. Please call 800.620.POLY for more details.
