

COMBINATION BOARDS

PolyVision **Combination Boards**

incorporate P³ ceramicsteel markerboards with tack surfaces in one single board. Choose from several "combinations." Framed in the Traditional Series, our most popular style, the tackable surface is a Type I Vinyl covering over 1/8" natural cork over 3/8" fiberboard. Standard components include a chalktray, 1" map rail that runs the length of the board, and satin anodized divider bars that separate the individual panels.

COMBINATION BOARDS B, C, E, & F

BASE PART NO.	SIZE (H x W)	TYPE	SURFACE OPTIONS	WEIGHT	PRICE
P1__11011-084	4' x 8'	B, C, D, E, F	11, 12, 13, 14	80 LBS.	\$358.00
