## PIXMATE MOBILE CARTS

The PIX MATE MOBILE CARTS by DA-LITE are the ideal choice for the classroom when mobility, function and durability are the primary reasons for selection. The PIXMate comes ready to assemble. Lightweight for easy movement in the classroom or from room to room. Strong and durable with shelves molded of high-density polyethylene plastic and legs designed from PVC pipe with 4" casters. Equally effective holding an overhead or LCD projector, TV, desktop or laptop computer.

PART NO.	SIZE (Wx H x D)	PRICE
PL2-34	34" x 24" x 18"	\$110.00
PL2-44	42" x 24" x 18"	\$117.00

## PIXMOBILE STORAGE CABINETS

The PIXMOBILE STORAGE CABINETS by DA-LITE are perfect for use as a projection stand and to secure projector or other AV product and accessory storage when not in use. Large, lockable steel storage cabinet with swing-door measuring 18"d x 24"w x 19-1/4"h inside.
