# FOR EASELS

**Make your easel a Flip Chart  
& a Dry Erase Board!**

- Fits most easels
- 25" wide by 30" tall
- Header is 3-hole drilled for easy mounting on easel.
- Write on, Wipe Off
- Reusable easel pad
- Saves paper
- Erases cleanly
- Lightweight

When used on your easel - you can reuse the page over & over again. It saves paper. It comes with 3-holes drilled in the header to fit easily onto your easel.

***Be Green Save Paper!***

## Flip Chart Use

10 sheets make a great Flip Chart!  
Save time - keep information on sheets  
and modify sheets using dry erase

# FOR WALLS

## Self-Stick Adhesive Backing on Each Sheet!

- Sheets perforated below header
- Sheets have a self-stick strip on the back
- Adheres to walls, doors and other smooth surfaces
- Adhesive leaves no residue
- Sheets can be cut down to smaller size
- Convenient and portable

Use the sheets anywhere you would like to have a dry erase board without punching holes in the wall. Use the sheets to surface old boards and chalkboards. Put sheets up around the room for an instant conference or brainstorming sessions. Sheets roll-up for storage and portability.

Anyplace there is a flat surface you can create, in an instant, a **productive and useful dry erase room.**
