Quartet® marker boards are an essential tool for creativity and communication – in brainstorming sessions to collect ideas or in team meetings to share information. They work just as hard in an individual's office or workstation as they do in a conference room. Quartet® combines function with high quality fit and finish for a good looking, wall-mounted writing surface that is easy to install, convenient to use, and built to last. Featuring excellent write-on, wipe-off capabilities – Quartet® marker boards are the ideal choice to communicate with style.
