Re-Mark-Able P3 ceramicsteel® Porcelain Boards

The improved P3 Re-Mark-Able porcelain boards are the premiere solution for all conference and board rooms. Dry erase markers glide across the hard non-porous ceramic layer with minimal friction, maximum adherence and increased color contrast. The P3 porcelain enamel on steel magnetic surface is extremely durable and can survive tough daily use and is highly resistant to scratching, denting or staining. Re-Mark-Able boards also serve as a full-size magnetic bulletin board for magnetic push pins and accessories.
