

## Planning Boards

Re-Mark-Able planning boards – magnetic and erasable. Visual planning and control boards help improve employee productivity. These boards enable employees to plan, organize and track the flow of work and workers for planning and meeting deadlines. Re-Mark-Able planners feature a magnetic porcelain on steel writing surface with useful grid lines for charting and aligning information. The magnetic accessories can be organized to track information and update activities, creating an accurate and comprehensive data at-a-glance reference.
