# Telescopic Flipchart & Display Easels

...the most popular display easel series in America.

555, 350TZ & 350

A presentation made with an easel and a markerboard, or an easel and flipchart, imparts a lasting impression to the audience.

...a great alternative to more costly aids and techniques.

**350 Series** —The industry standard. Versatile, utilitarian chart or display easel.

**555 Series** —Jumbo version of the 350 Series. Extremely heavy duty, large format diameter legs.

- Hold signs, posters, boards or flipcharts (with bar)
- **Metal** heads, support braces and locking braces
- 2-way adjustable board holders
- Durable lightweight aluminum alloy construction
- Trouble-free telescoping legs
- Reliable aluminum clutch locks
- Non-mar, non-skid rubber leg tips
- Strong riveted construction
- Height fully adjustable

**Our Quality  
Makes the Difference.**

Trouble-free clutch mechanism for secure locking.

Patented metal chart holders. Height and thickness adjustments.

Legs telescope, and easel folds together for portability.

**Accessory Bar Converts Easel For Flipchart Use.**
