- FEATURES:**
- Designed for recessed installation above any type of ceiling
 - Perfect for meeting rooms, conference and training facilities
 - At the touch of a switch the ceiling closure opens and viewing surface appears. Screen retracts and ceiling panel closes tightly when switch is reversed. (Closure can be finished to match ceiling.)
 - Heavy-gauge components for fast, silent operation
 - Operating speed 38 feet per minute
 - Fiberglass Matte White or Glass Beaded surface

Note: Matte white will be furnished if surface not specified.

- FEATURES:**
- Designed for recessed installation above any type of ceiling
 - Perfect for meeting rooms, conference and training facilities
 - At the touch of a switch the ceiling closure opens and viewing surface appears. Screen retracts and ceiling panel closes tightly when switch is reversed. (Closure can be finished to match ceiling.)
 - Operates smoothly and silently because the motor is mounted inside the roller on special rubber vibration insulators
 - Operating speed 20 feet per minute
 - Fiberglass Matte White or Glass Beaded surface.
 - "Quick Ship" sizes noted

Note: Matte white furnished if surface not specified.
