

## NON-FOLDING A-FRAME EASEL

### Heavy-Duty Easel that Sets Up Quickly

- The ultimate heavy-duty easel. Great for demanding applications and rental situations.
- Constructed of Heliarc welded, square extruded aluminum tubing legs for strength and easy set up.
- Similar features to A-frame Easel except legs do not fold.
- Elastic pad retainer strip keeps paper pad in place during transport.
- Attractive black enamel backboard with satin anodized aluminum legs and frame.

Non-Folding A-Frame Easel

Model	Price
Non-Folding A-Frame Easel	\$260
