

Color Contour Cabinets

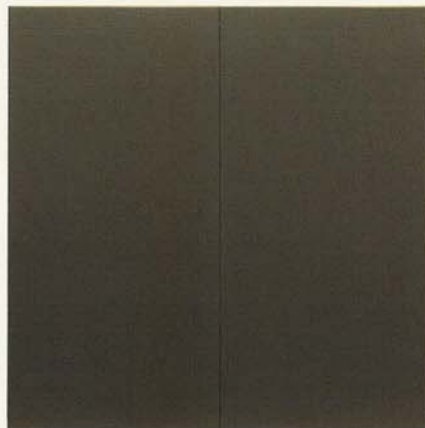

Egan Color Contour Cabinets can be used to create a dramatic, progressive look. Sleek and sophisticated, with their thick, durable catalized coating, the cabinet doors cast a smooth, satiny sheen.

The finish is impact-resistant and easily maintained. Equally impressive in the bullnose or pencil-edge rectilinear style, the Color Contour Cabinets are a handsome solution to the cabinetry needs of offices where

color-coordinated furniture is specified. With our standard colors and 105 optional colors to choose from, complimenting existing decors is easily accommodated.

Egan Color Contour Cabinets feature an Egan Flipchart, magnetic porcelain Eganboard, Egan Projection Screen, Egan Tackboard and ample storage space for your EganMarkers and Brush.

With its thick, durable catalized coating, Egan Color Contour Cabinets are silky smooth, cast a satiny sheen, are impact-resistant and easily maintained.

*Bullnose Color Contour.
The smooth finish of the surface continues around every radiused edge for a sophisticated contemporary look.*

*Pencil-Edge Color Contour.
A clean, smooth surface encompassed by one continuous clean, crisp line that adds a dramatic focal point to any meeting room.*
